Contributions to the York Builders Association PAC are not deductible for federal income tax purposes. Only PERSONAL or NON-CORPORATE contributions may be accepted. Your privilege of membership in York Builders will not be affected if you choose not to contribute. Participation is strictly voluntary. Your contribution will be used to support candidates for state office who support the housing industry. State law requires political action committees to report the name and mailing address for each individual whose contributions aggregate in excess of \$50.00 in a calendar year.

What is York Builders PAC? Why should I Contribute?

The York Builders Association Political Action Committee (YBA PAC) works to advance the interests of the building industry. Your PAC contributions support candidates who understand and recognize the importance of a strong housing industry and the positive impact home building and remodeling have on the economy.

Contributions not only help our legislative friends get elected, but helps them prioritize our important issues in Harrisburg.

Support our PAC and join fellow members helping to maintain a healthy and robust housing industry and housing affordability for all of York County.

Your Contribution Makes a Difference.

We identify and support candidates with a demonstrated commitment to:

- Reducing government regulations
- Increasing homeownership
- Working for sound environmental policies
- Improving housing affordability

Legislative Victories Include:

- **Permit Extension Act** allows builders and developers to automatically extend permits received after December 31, 2008 until July 2, 2013.
- Continue to block Educational Impact Fees
- Continue to prevent passage of legislation increasing the Realty Transfer Tax.
- Blocked Painting Licensure legislation and similar licensing for plumbers, electricians, and interior designers.
- Blocked expansion of municipal recreation fees.

Invest in your Business. Invest in the Industry.

The building Industry faces challenges every day in the form of legislative and regulatory proposals that negatively impact the entire industry. A weak housing market affects everyone.

Your contribution to PAC is an investment in your business. The YBA PAC Committee is asking you to help all of us help each other. With your contribution we can continue to support our legislative friends and to be a collective strong voice for the building industry.

The future of the home building industry depends on you!
